

MC88™ II M+S AMARANTO

LONG TYRE LIFE OR URBAN TRANSPORT, ENSURING COMFORT AND SAFETY.

- A 3-groove design with a broad contact area promotes **tread life** and **mileage**
- Central groove geometry design **prevents stone trapping**
- Zig-zag pattern design offers **high traction** levels
- Heavy siping improves **road holding on wet and slippery surfaces**
- Kerbings on the tyre shoulders provide **protection from sidewalls impacts** and makes it easier to gauge the level of residual compound
