

Neo Allroads D+

-  Recommend to use
-  Permitted
-  Not recommended to use

- > Excellent life-cycle with directional tread pattern, deeper grooves and wider tread design;
- > Enhancing traction performance on dry and wet roads with Special 3D sipes design;
- > Special belt structure design ensures excellent durability and multi-retreadability performance;
- > Improving life cycle of the product with special sipe heat emission design;
- > Enhancing post-use traction performance with special sipe design;
- > Good fatigue resistance with full penetration cord;
- > Higher lifecycle performance with dual tread layer.
