

ON/OFF ROAD

Y601

Y601+

Application

General wheel position for on/off road.
Suitable for multiple-purpose transport
on multiple road surface.

Long Mileage Solution

- Optimize internal contour design to improve durability significantly.
- High abrasion tread compound combined with widened tread width to enhance expected mileage markedly.

Low Failure Solution

- Specially designed pattern grooves can effectively protect against stone embed and avoid early damage.
- Special shoulder curve design to ensure uniform wear.

Transport Efficiency Solution

- Three zigzag main pattern grooves to provide excellent traction and brake performance.

All-weather Grip Solution

- Zigzag tiny pattern grooves to provide excellent heat dissipation and wet grip.
